

Welcome Message

The Department of Civil Engineering, Chittagong University of Engineering & Technology (CUET), is going to organize the 4th International Conference on Advances in Civil Engineering (ICACE) during 19-21 December 2018, which is regularly organized in alternate years.

Inspired by the success of the previous events of ICACE (in 2012, 2014 & 2016), we are committed to upholding the excellence of ICACE-2018. This conference aims to bring together leading academics, researchers, and graduates of different branches of civil engineering for exchange of ideas and discussion on the state-of-the-art research and future trends of civil engineering. The ICACE-2018 promises to be an outstanding international platform for the participants to share their knowledge and expertise. This conference will also be a chance for the students in civil engineering discipline to be acquainted with new and advanced topics, which eventually will help them to increase academic earnings and get ideas of hands-on approaches for solving real-life civil engineering problems.

We look forward to meeting you in the ICACE-2018 at CUET, Bangladesh.

Conference Theme

The conference participants are encouraged to submit papers over the full range of Civil Engineering discipline including but not limited to the following areas:

- Structural and Earthquake Engineering
- Geotechnical Engineering
- Transportation Engineering
- Water Resources Engineering
- Environmental Engineering
- Sustainable Engineering and Management
- Construction Engineering

Submission of Abstract

An abstract has to be submitted as the first step. The abstract will state objective, key results, and conclusions within 500 words. Keywords should be limited to 4-7 words. The abstract submission is online and should follow the given link:

<http://www.cuet.ac.bd/icace/>

Submission of Full Paper

Upon the acceptance of abstracts, authors need to submit the full paper in the prescribed format. Each paper will go through a double blind peer review process. The technical committee will make the final decision based on the comments from the reviewers.

Conference Proceedings

All the accepted paper will be included in the conference proceedings in a CD-ROM format (with ISSN). A book of abstract will be published in paper format. Selected papers may be considered for the publication in the Journal of Civil and Earthquake Engineering (JCEE), CUET (ISSN: 1996-9066)

Conference Venue

Department of Civil Engineering
Chittagong University of Engineering & Technology
Chittagong-4349, Bangladesh
