Notification

Subject: Submission of Supervisor Choice Form for Postgraduate Program Session 2022-2023

Dear postgraduate students of the Department of Electrical and Electronic Engineering,

I hope this communication finds you well. This is to inform you that, for the ongoing academic Session 2022-2023, including Semester I and Semester 2 (January 24), the Department of Electrical and Electronic Engineering extends a formal request for the submission of the Supervisor Choice Form. The deadline for this submission is February 25, 2024. This submission is mandatory for all students enrolled in the mentioned postgraduate program during the specified session.

Furthermore, we wish to bring to your attention that, students from the preceding year, who have yet to finalize the selection of their supervisor, are also urged to submit their Supervisor Choice Form by the aforementioned deadline.

Thank you for your cooperation.

Sincerely,

A handwritten signature in dark ink, appearing to read "Nipu", is written in a cursive style.
