

SOFTWARE DONATION BY PETEX

DATE: SEPTEMBER, 30, 2021

Petroleum Experts Ltd

We are delighted to declare that Petroleum Experts has kindly renewed the Petroleum and Mining Engineering department's license (Educational License) for IPM suite. It is our privilege to announce that Petroleum Expert has provided us 10 licenses for using their IPM suite which includes PROSPER, GAP, PVTP, MBAL, REVEAL, RESOLVE along with a Hardlock. The approximate market value of the suite is £1,557,928.68 and the license will be effective for 1 year. We believe that this software will be highly beneficial for teaching, tutorials, non-commercial researches, and for relevant undergraduate courses.
